A Strengths-Based Approach

Innovation and Creativity

Real Time Results

Strategic Planning

What if your organization, team, non-profit or community could deepen their purpose, map out core strengths, envision the future, and create actions plans for strategic opportunities ..all in one day?

DETAILS

Strategic Planning For:

- Teams & Departments
- Company Wide
- Nonprofit Associations
- Industry Trade Groups
- Healthcare
- Academia

Length:

- Full and Multi-Day

Where:

- Client site or offsite retreat

The SOAR Approach

- **Strengths:** *What can we build on?*
- **Opportunities:** *What are stakeholders asking for?*
- **Aspirations:** *What do we care deeply about? How might we....?*
- **Results:** *How do we measure progress and Success?*

Learn more about the SOAR model at: soar-strategy.com

OUTCOMES

- Identify alignment between strengths and opportunities
- Organize resources around strategic opportunity areas
- Create deployment plans that build engagement and ownership
- Co-create a shared vision
